When do you go to the movies? What types of movie do you like? In the USA, movie theaters are very popular and a lot of young people go there. But, what types of movies do they watch? We ask two friends about their cinema preferences.

Jack, 12

I love going to the movies because there are always eight movies on at our local movie theater complex, and it's really modern. The ice cream is fantastic, but I don't like eating popcorn and other snacks. I go with my friends every Friday. We all like science-fiction movies with action and suspense. We are also big fans of special effects, so we love watching movies like 'Avatar' and 'Transformers'.

Katie, 11

I hate watching horror movies or science-fiction movies but I like watching romantic comedies. One of my favorite movies is 'Letters to Juliet'. It's about a woman called Sophie who goes to Italy and discovers a very old, unopened love letter. It's very funny and Sophie ends up falling in love too, of course! I don't like going to the movies much, because there isn't a movie theater in my city and I don't like traveling to other cities. I like watching movies at home a few months later.

READING

Hi, I'm Julie and my best friend is Hanna, we are always together. We are 13 years old and we are in the same class. Hanna lives in the same street as me and we like to walk together. When we have a break in school, we often play games and sometimes we have lunch. We always go home together and talk about our hobbies. When I am doing my homework and I don't understand a question, I often call Hanna for help and we do it together. When we finish our homework we always talk. We never go to sleep without talking.

At the weekends, we usually go to the shopping-mall, Hanna always wants to go shopping but I sometimes want to go to the cinema. We plan our day together and we never quarrel. On Saturdays, we watch films, we usually eat pizza and rarely eat popcorn.

We like to wear beautiful clothes, jeans and T-shirts, pretty dresses or skirts. When I want to wear jeans, I often ask Hanna to give me her T-shirt because she has got really cool clothes. And I sometimes give her my dresses.

Hanna has an interesting hobby. She likes to take photos. She has got many beautiful pictures and she collects them on her computer.

I have a hobby too. I write poems and I think my poems are good. I read them to my parents and friends and they love my poems.
