- 1** Complete the blog post with the phrases in the box. There are two phrases you don't need.

broadcast interviewees ~~journalism~~  
mass media podcast reliable reporter  
shocking sources trust

If you're interested in a career in 1 journalism , you don't need to wait until you're older to start practicing. One of the advantages of modern 2 mass media is that anyone can 3 broadcast the news from their bedroom now. It's even possible to set up your own internet radio station, but it's probably easier to start with a 4 podcast , which allows you to record and share your ideas with people all over the world. So, if you want to be a news 5 reporter , you can tell the world what's happening in your local area. Remember, with any news story it's important to check your 6 sources , to make sure they're 7 reliable . And try to find some 8 interviewees that you can talk to and question about the stories. Good luck!
