Subject: My favorite sport

Hi! I'm Lucas and I'm from Biarritz, in France. My favorite sport is surfing. Why do I like surfing so much? There are two reasons. Firstly, I live near the sea, so I love all water sports. Secondly, surfing is an exciting sport! My mom says it's dangerous and difficult but I think it's amazing!

You need a wetsuit and a surfboard. A good surfboard costs more than €400, so surfing is expensive. You can borrow a board from a friend of course, that's free! I usually go surfing on the weekend with my friends. We aren't surfing at the moment because we have exams next week!
