- 1 Look at the messages. What is happening on Saturday evening?

Lucy and Anna are going to a party.

Skype

Hi, Anna!

Hi, Lucy.

Are you going anywhere Saturday evening?

Yeah, it's Jenny's party. Aren't you going?

Wow, how could I have forgotten! Are you wearing anything special?

I don't know. I might wear my new blue skirt.
How about you?

I'm going to wear my new green dress.

I want to wear my black boat neck top, but I've lent it to someone. Was it you, by any chance?

Er... don't think so. Let me check, it might be somewhere in my messy closet.

Thanks, it'll be great if you find it. Otherwise I'll have to go to the mall to buy something to go with that skirt.

Remember that this Saturday is a national holiday, nothing will open!

Right, I must get it tomorrow, then!

But hey, your top's here. I've just found it!

Yay!

And how are you getting there on Saturday?
Is anyone driving you?

Nope, no one will be home on Saturday.

I'll ask my dad if he can take us there.

Great, can you give me a ride?

Sure!

Thanks! Let's talk tomorrow to arrange it.

Yeap, bye!
