Joshua Anderson is adapting to his new life in the savannah. In the US, he usually gets up at 7:30am, and he goes to work by train. This month, however, he's getting up when the sun rises at 6am and he's looking after the tribe's animals. He never makes lunch at home but now he's making lunch for the whole tribe! Everyone is learning new skills. His children are building a house in the trees.
