Present Perfect

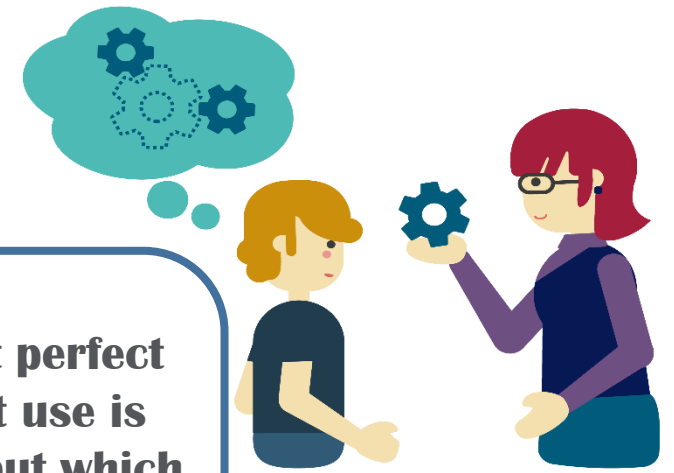

PRESENT PERFECT

1

The present perfect, also known as the present perfect simple or present perfect in Spanish, is one of the verb tenses of the present in English. Its correct use is necessary to express experiences or memories that occurred long ago, but which are still remembered or are important today. Thanks to this, its use is very common and it is important to know it perfectly.

Read the following text.

I have been to many different places during my whole life. Luckily, thanks to my father, my family travelled around the world for free, because my father was a pilot, and he got a lot of free tickets to travel. But I can say that the most interesting place **I have ever visited** is Egypt. I was able to walk by the pyramids and visit plenty of museums, I saw mummies!

In the market we bought different clothes from the Egyptian culture, which **I have kept** safe in my closed as a real treasure. I really want to go back to Egypt, people were really nice to us and it was a great experience.
