I think the best coastline in Rhode Island is in Newport. The water there is cleaner than in most places. Of course, the water isn't as warm as in Florida, but it's not too cold to swim. Easton's Beach (1st beach to the locals) is probably the most popular beach in the state. All the teenagers go there. But it's too crowded for me. I prefer Sachuest (2nd beach). If you go there and it isn't warm enough to swim one day, go and visit the Norman Bird Sanctuary. It has one of the most beautiful views in Newport. Block Island also has some wonderful coastlines. It's wilder than Newport and you get fewer people around, so the beaches are quiet enough to relax and read a book. Still in Newport there is one of the most beautiful lighthouses around, called Castle Hill Lighthouse. If you are energetic enough you can swim around the rocks nearby.

Subject: Sunny Spain

Hi Laura,

Hello from sunny Cadiz! This is my third day here and my Spanish is already **better**! Marta and her family live in a flat near the sea. It's **smaller than** our house, but it's **more modern**. There are three bedrooms. Marta's is **the biggest** and we're both sleeping in it. I'm sleeping in a bed near the window. Marta's bed is bigger than mine, but mine is **more comfortable**. The kitchen is **larger than** ours at home, but **the best** thing is the balcony. There's a table and some chairs on it and we eat breakfast outside. The view is fantastic. Marta's mum loves flowers so there are loads of plants on the balcony, too.

Cadiz is **the oldest** city in Spain and it's brilliant. It's **more exciting than** Shipley. That's not hard – **the most interesting** place in Shipley is the park!

See you next week.

Kerry xx
