The Metropolitan Museum of Art The Statue of Liberty

Times Square

2 Read the email again and answer the questions.

- a Who is Chloe visiting New York with?
Her mom and dad.
- b Where did she go today?
The Empire State Building, the Statue of Liberty and the Metropolitan Musuem of Art.
- c What did she eat for lunch?
A burger.
- d Why couldn't they visit the museum?
It was closed.
- e What does she want to do after seeing the exhibitions?
Sit in the coffee shop.

GRAMMAR 2

too, enough and not enough

- 1** Read the underlined words in the sentences below. Write:
 - 1 if they are used to mean that something is more than sufficient or more than necessary.
 - 2 if they are used to mean sufficient.
 - 3 if they are negative sentences to mean less than sufficient or less than necessary.

- a 2 My burger was big enough for two people.
- b 3 We went to the Statue of Liberty but it was not interesting enough for me.
- c 1 We were too late.
- d 2 We'll have enough time to look carefully at everything.

- 2 Look at the position of *too*, *enough* and *not enough* in the chart below. Then match the sentences in activity 1 as examples.

too + adjective	c	
(not) adjective + enough	a	b
enough + noun	d	

3 Order the words to make sentences.

a to visit / the caves / We / late / were / too

We were too late to visit the caves.

b The / wasn't / cheap / restaurant / enough

The restaurant wasn't cheap enough.

c hot / It / too / to go sightseeing / was

It was too hot to go sightseeing.

d The / enough / hotel / wasn't / good /
so we left

The hotel wasn't good enough, so we left.

4 Complete the sentences with *too* / *enough* / *not ... enough*.

- a It was too cold to visit the caves. It was not warm enough (warm).
- b We had enough time to visit the castle, but it was too crowded (crowded).
- c Six people wanted to go to the museum. Luckily, Carla's car was big enough.
- d The reef is not safe for children. It's too dangerous (dangerous).

5 Choose the correct words.

Hadrian's wall was built in the north of England by the Roman Emperor Hadrian, and for centuries it was a **big enough** / **enough big** to stop barbarian invasions. The Romans left Britain at the beginning of the fifth century when the Roman Empire became **b not big enough** / **too big** and the wall began to become a ruin.

It is the most popular tourist attraction in the area. You can't walk on the wall because it **c is strong enough** / **isn't strong enough** since it's **d too old** / **not old enough**. If you have **e too time** / **enough time** you can walk along it for 135km, but go in the summer because in winter it's **f too wet** / **wet enough**!

Formation of Adverbs

1 Write the adverbs.

adjective	adverb
quick	<u>quickly</u>
a noisy	<u>noisily</u>
b bad	<u>badly</u>
c quiet	<u>quietly</u>
d easy	<u>easily</u>
e careful	<u>carefully</u>

f angry	<u>angrily</u>
g happy	<u>happily</u>
h hard	<u>hard</u>
i fast	<u>fast</u>
j good	<u>well</u>

2 Underline the correct words.

And they all lived **happy** / **happily** ever after.
That's the end of the story.

- a You really are a **good** / **well** singer. Why don't you join a band?
- b He always drives very **careful** / **carefully**.
- c She's a very **bad** / **badly** loser. If she doesn't win, she doesn't speak to you for hours.
- d Please be **quick** / **quickly**. I can't wait very long.

Homework

- e They played **bad** / **badly** in the semi-final, but Uruguay played **good** / **well**.
- f You look **happy** / **happily**. Are you in love or something?
- g She finished her work very **quick** / **quickly** and then went out.
- h My ears are hurting. That trumpet is too **noisy** / **noisily**!

3 Order the words to make sentences.

drives / fast / grandmother / My / never

My grandmother never drives fast.

a always / hard / very / work / You

You always work very hard.

b cycled / very / up the hill / She / easily

She cycled up the hill very easily.

c was / quietly / so / shut / Grandpa / the door /
I / asleep

Grandpa was asleep so I shut the door quietly.

d friends / happily / her / new / She's / talking / to

She's talking happily to her new friends.

e table / carefully / put / He / the / it / on

He put it carefully on the table.

f him / quickly / saw / I shut / the / when I / window

I shut the window quickly when I saw him.

4 Complete the sentences with adjectives or adverbs from activity 1.

You're only 16 and you want to buy a car this year. Please think about this very carefully.

- a It was a great vacation but the time passed too quickly. Next time, let's go for three weeks instead of two.
- b Her English is very good. She doesn't make many mistakes.
- c She doesn't like spending a lot. She's always careful with her money.

- d You cook really well. Can I come to dinner at your house again?
- e She's smiling. I think she's feeling happy.
- f The doorbell was ringing noisily this morning.
