VIDEO SKILLS

1 How many **apps** do you have on your phone?

- a Fewer than 50
- b More than 50

2 How often do you **check** your phone in a day?

- a 10–20 times
- b As often as I can!

3 How many **instant messages** do you send every day?

- a Only a few
- b Too many to count!

4 How often do you **update** your profile?

- a Never, I'm too busy.
- b All the time.

5 Do you always **tag** your friends in photos?

- a Tagging? What's that?
- b Of course!

6 Have you ever **posted** a comment or **uploaded** a photo and wished you hadn't?

- a Never
- b All the time!

7 Have you ever **deleted** a post?

- a Yes, I sometimes post things and then regret it.
- b No, I always think before I post.

8 Do you know how to **set** a safe password?

- a I don't use passwords on my devices – so boring.
- b Yes! Mine's 16 characters long.

9 Do you know how to **change** your privacy settings and **report** a problem?

- a No idea what that means!
- b Of course!

10 Have you **installed antivirus software**?

- a No, what's that?
- b Yes, and I check it regularly.

## What's your tech style?

**Mostly A** – You don't use technology much. It would be good to find out more about how it works!

**Mostly B** – You're pretty tech-savvy. You're careful how you use technology.

## Did you know?

- The average person has 70–100 apps on their phone.
- The average millennial checks their phone 80–150 times a day!
- People upload 657 billion photos a year to social media sites.

# IT

1

Match pictures 1–8 with the words in the box. Can you add any more communication devices or parts of devices?

app   comment   instant messaging   password   privacy settings  
profile   social networking sites   video game

1

profile

2

video game

3

app

4

social networking sites

5

privacy settings

6

instant messaging

7

password

8

comment

**2**

44

Work in pairs. Listen and identify five things in exercise 1. Then describe the others for your partner.

**1. Video game**

**2. Password**

**3. Instant messaging**

**4. App**

**5. Social networking sites**

# Technology

**3**   Work in pairs. Check the meaning of the circled words. Then do the quiz.

- **app:** programs, often on cell phones
- **check:** to look at something
- **instant messaging:** a program to communicate instantly with others
- **update:** change or add new information

- **tag:** to name someone in a post with their social media name
- **post:** writing that is published online
- **upload:** to put something online
- **delete:** remove something
- **set:** create
- **change:** to make something different
- **report:** inform
- **install antivirus software:** to put software on a computer to protect it from viruses.

**4** Match the nouns in the box with verbs 1–8 to complete the collocations from the quiz.

~~a comment~~   ~~a friend~~   ~~a password~~   ~~a photo~~  
~~a problem~~   ~~privacy settings~~   ~~your phone~~  
~~your profile~~

- |   |                                |   |                         |
|---|--------------------------------|---|-------------------------|
| 1 | change <u>privacy settings</u> | 5 | tag <u>a friend</u>     |
| 2 | update <u>your profile</u>     | 6 | upload <u>a photo</u>   |
| 3 | report <u>a problem</u>        | 7 | check <u>your phone</u> |
| 4 | post <u>a comment</u>          | 8 | set <u>a password</u>   |

**5**  Look at the diagram and think about how often you do the things in exercise 4. Compare your answers in pairs.

*I never change my password. I sometimes ...*

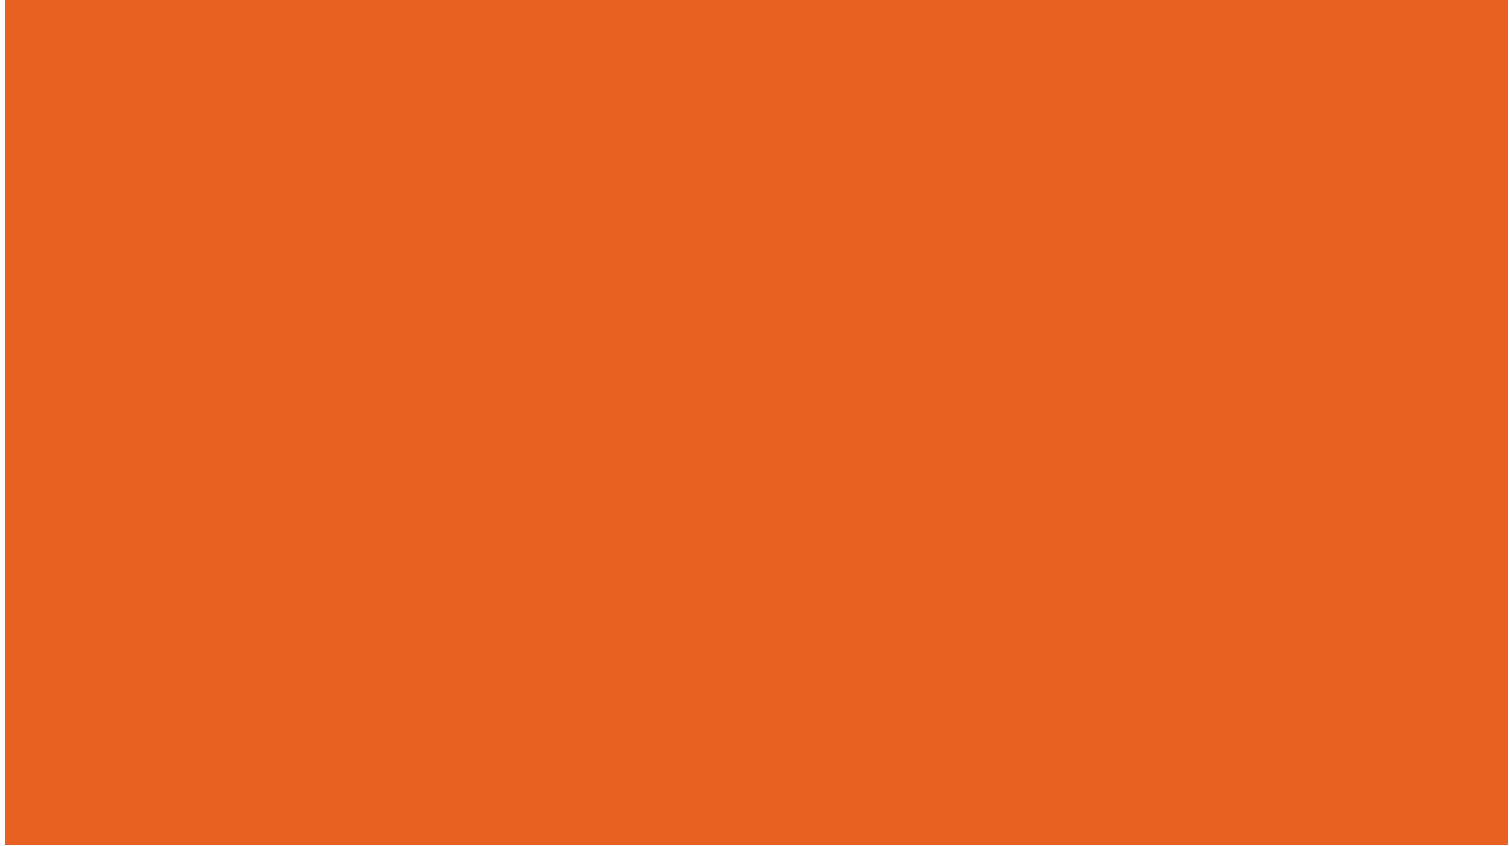

**Suggested answers:**

- ✓ I never change my password. / I've never changed my password.
- ✓ I sometimes tag friends in photos.
- ✓ I often upload photos.
- ✓ I usually post comments.

## 6 Complete the sentences.

- 1 There aren't any cool apps for teenagers to use on their phones.
- 2 I don't know anyone who has reported an online problem.
- 3 It's important to change your privacy settings to protect your personal information.
- 4 You should regularly upload videos for your friends to watch.
- 5 You don't need to update your profile . Nobody reads that information.
- 6 It's great when friends tag everyone in their photos.
- 7 I think most of my friends send too many texts every day.
- 8 I know people who get anxious when they can't check their phones – it's silly!

**8**  Watch the video. What questions do the viewers ask the vlogger?

9

**Work in pairs. Discuss the questions.**

- 1 What is there in the video that helps you understand it? Think about text, the vlogger's voice, and the vlogger's body language.
- 2 Which vloggers are popular in your country and why?

Personal Answer

**1** What is there in the video that helps you understand it? Think about text, the vlogger's voice, and the vlogger's body language.

- ☐ The on- screen text helps us to understand the language.
- ☐ The vlogger speaks clearly and slowly. She speaks directly to the camera so we can see her lips and facial expression which aids comprehension.
- ☐ The vlogger's body language is very open and positive. She smiles and makes eye contact.
