Changing school also gives you lots of exciting opportunities to do new things.

If you're interested in computers, you can join our Tech Club. If you like sports, Camworth High is the place to be: we have a fantastic gym and indoor swimming pool. If all those sports makes you feel exhausted, try something more relaxing like our yoga classes or the Photography Club.

You also have the chance to help in a local old people's home or be part of an environmental work group in Camworth Forest Park.

And don't forget our great team of teachers! Our students get excellent results on official exams.
