# Tell us about your school

**All About My School** is an international project where teachers and students from different countries post descriptions about school life where they live and answer questions from students in other countries.

# All About My School

Our high school is in the center of Tirana, Albania. It's a big school, with about 900 students. The teachers are OK – they aren't too strict. We don't have a school uniform.

My favorite subjects are P.E. and technology. We also study math, biology, chemistry, English, history and Albanian. I love computers but we don't use them a lot at my school.

We start school at 7:30 in the morning – it's too early! But we finish at two o'clock and I have lunch at home. In the afternoon, I relax for a while and then I do my homework. I normally have about three hours of homework every day. In the evening, I play video games or go out to play basketball with my friends.

## ► Subskill: Capital letters

In English, some words have a capital letter. Remember that it isn't just the first word at the start of a sentence, e.g. *I have a French class on Monday.*

art   English   French   geography  
technology   math   P.E.

## 5 Read the list. When do we use a capital letter in English?

- a for I, e.g. *Can I use your pen?* ✓
- b at the start of a sentence ✓
- c for all nouns
- d for days of the week ✓
- e for greetings ✓
- f for months of the year ✓
- g for names and surnames ✓
- h for people's titles ✓
- i for cities, countries and nationalities ✓

**7** Correct the text, adding capital letters where necessary.

Hi

Hi! I'm Pearl. I live in Scotland. The school year starts in September and finishes in June. We have lessons five days a week, from Monday to Friday. Our favorite subjects are P.E. and German. All teachers are very nice but my favorite is our biology teacher, Mr. Liddle.
