HELICOMOTIVATION

The image shows two cartoon characters, a woman with long black hair and a man with brown hair, walking through a modern shopping mall. The woman is wearing a black jacket over a white top and dark pants, carrying a black bag. The man is wearing a yellow sweater, a purple vest, and blue jeans. They are walking past large glass storefronts of retail stores. In the background, there are mannequins in the windows and bright, modern lighting. The British Council logo is visible in the top left corner of the image area.

A mystery in the house

That was a cold and stormy night. **Everybody** went to bed earlier than usual, but I decided to stay in the living room reading my new novel about mystery. Suddenly, **something** happened in the kitchen, I heard a strange noise. I stood up and went rapidly to see what was happening, I couldn't see **anything** out of the ordinary. **Everything** was calm and quiet, I came back to the living room and kept on reading my book When I opened the second page, I heard a noise coming from the front window and a shadow disappearing in the night... When I looked through the window I saw **nobody**. It was a very rare night. Every time I tried to read my book **something** inexplicable happened. Was the mysterious novel becoming true? I examined **everywhere** in the living room, I was trying to find the thing that was producing the strange noises but I couldn't find **anything**.
