READING

Sarah from New York

I love shopping, especially clothes! I usually go to Macy's or Bloomingdale's. I prefer department stores to shops. They have a wide range of things. I also like going to SoHo*, though. There is a shop there that has sales all year round, so prices are much cheaper. I usually go there once a month with my friends. As a matter of fact, we were there last weekend to buy a birthday present for Melanie.

READING

Maggie from London

I'm not crazy about shopping. If you asked me if I'd rather go to Oxford Street* or to a football match, I would have to say the match... But when I have to buy clothes, I usually go to Miss Selfridge's or Marks & Spencer. The quality of the clothes is pretty good and the prices are reasonable. They always have special offers and, if you're lucky, you can find real bargains. I sometimes go to Harrods with my mom. We were there last month for the sales, but it was so frustrating. The prices were much higher than we thought. A casual dress for £80, can you believe it?!
