A Movie Review

- 1  59 Read and listen.

Does the writer like the movie?

Yes, he does. He thinks it's fantastic.

My Favorite Movie

- 1 One of my favorite movies is *Black Panther*. It's a superhero movie that came out in 2018. The director was Ryan Coogler and he co-wrote the script with Joe Robert Cole. The main actors are Chadwick Boseman, Michael B. Jordan and Lupita Nyong'o.
- 2 The plot is based on the Marvel Comics story about the same character, T'Challa, who became the king of Wakanda – a technologically advanced nation in Africa – after his father's death. He must fight against an enemy who also wants to be the king of Wakanda. For me, *Black Panther* is one of the best Marvel movies.
- 3 The actors were very good. I thought the soundtrack (by Ludwig Göransson) was also amazing. I think the best thing about the movie is the computer-generated images – they are really fantastic. It's a 3D movie and you really feel like you are part of the action.
- 4 In my opinion, *Black Panther* is a fantastic movie. The special effects are fantastic and it also makes you think. I would recommend it to everyone.
