done!**

3 ☆☆☆ Complete the text with the correct form of the verbs in parentheses.

Last week we asked: 'What easy things can we do to help the planet?' Here are your answers.

You 1 'll save (save) water if you
2 turn the tap off (turn off)
when you brush your teeth. *Lizzie Baines.*

If we 3 use (use) less paper, we
4 won't need (not need) to cut down as many
trees. For example, if you 5 don't put (not put)
paper on a birthday present, it 6 won't matter
(not matter). *Thomas May.*

It's a waste when we use plastic bottles and then
we need to throw them away. If you 7 buy
(buy) a water bottle and you 8 reuse (reuse)
it, you 9 will help (help) the environment.
Petra Scholes.

Your environment

2 Complete the text with the words. There are two extra words.

cut down ~~give up~~ pick up
plant pollution recycle reduce
throw away trash turn off
turn up waste

The things we're doing to help!

If we 1 give up things like plastic bags or straws, we'll 2 reduce waste. We won't 3 throw away our clothes any more, we'll 4 recycle them by selling them in our second-hand clothes market. We'll 5 turn off the heat and wear an extra sweater if we're cold. When it's hot we won't 6 turn up the air conditioning. We'll open some windows instead. At the end of the day, there's often a lot of 7 trash on the floor, so everyone will need to 8 pick up at least three things. We'll go to the beach to collect the 9 waste there (old shoes, bottles and boxes) because we don't want to add to the 10 pollution in the ocean.

will for predictions: affirmative, negative and questions
