Subject: Summer vacation

Hi, dear! How are you? When we finished all our exams, we threw a party to celebrate the end of the school year. It was raining when the party started, so we had the party inside. We missed you so much!

Last summer was great. In August, on our vacation, my family and I went to France. We stayed at a campground near a small fishing port. We rode bikes every day because the weather was good. We didn't ride bikes along the Seine because we weren't wearing comfortable clothes. We went to a water park and to Paris for a couple of days, too. While we were visiting the Louvre, we heard sirens of approaching police cars. This got me a little scared.

What did you do on your vacation? Did you go anywhere nice last weekend?

See you soon,
Lou
