attachments con con artists cyber details
hacking ~~links~~ mail scams spam

How to stay safe online

Avoid clicking on 1 links or opening
2 attachments unless you know and trust the sender.
Use filters for 3 spam and junk 4 mail
and always report phishing 5 scams.
If you, or anyone you know, are the victim of
6 cyber-bullying, tell an adult and report it.
Never give anyone your password or other login
7 details. We worry about giving these to
fraudsters and 8 con artists, but even giving them
to friends can cause problems.
Stay safe – don't let anyone 9 con you!
