Martha: Britain's Got Talent is a famous talent show on TV.

Simon: How often is it on?

Martha: Once a week, usually on Saturdays, but sometimes on the other days, too. I never go out on nights when it's on! It's fantastic!

Simon: Can anyone be on the show?

Martha: Yes, they can. There are people of all ages from all over Britain. There are people who can sing, dance or play an instrument brilliantly. And there are sometimes people who can't do those things very well. They're funny!

Simon: Is the show on TV now?

Martha: No, it isn't, but there's a new season soon.

Hello, my name is Sandra and I live in Santiago. I am a Maths teacher and I am going to talk about my routine in this pandemic.

I **Usually** get up at 8 o'clock . After getting a shower and having breakfast, I turn my computer on and start my virtual lessons. **Sometimes** I use the software called "meet" to make videocalls. Other teachers prefer to use "Zoom" I have lessons with each grade only once a week because of the lousy internet connection.

My students **often** have problems with their internet, so the students that **always** attend my lessons are few. **Generally**, I send them the learning material via whatsapp. They **frequently** ask me to explain them the exercises through that social media. It is a little difficult to do so because we are not seeing each other's faces.

In spite of all the difficulties, I **never** give up on my wish to do my best to help my students.

1. Sandra prefers to use meet to make videocalls.

TRUE

2. Students have a very good internet connection.

FALSE

3. Sandra uses Facebook to send the learning material.

FALSE

4. Sandra thinks that teaching through remote lessons is difficult.

TRUE

5. Sandra usually gets up at 8 o'clock.

TRUE
