- sciences physics
- creative subjects art, drama
- foreign languages German

3

Listen to extracts 1–6 and match each one to a subject from the schedule.

Extract 1

geography

Extract 2

English language

Extract 3

P.E.

Extract 4

math

Extract 5

civics

Extract 6

technology

Hey listen!

4  Work in pairs. Tell your partner which is your favorite day on the schedule and why.

Which is your favorite day?

Tuesday, because I like French and they have music twice.

SCHOOL TIMETABLE

A conversation

Hi! I'm Ansa. I'm from Hamina in Finland but this month I'm in York, England, visiting family and going to a British school.

► Subskill: Identifying the type of listening

To identify the type of listening, think about: people (how many?), places (where are they?) and language (is it formal or informal?).

5  **10** Listen and circle the correct description.

- a An interview with Ansa on local radio
- b Ansa talking to a teacher
- ☒ c A dialogue between Ansa and a classmate

6 Listen again. Which sentences are true?

- 1 Ansa thinks school in Britain is similar to  her school.
- 2 Ansa's school is in a village.
- 3 Ansa has a lot of homework.
- 4 Ansa can't speak English.
- 5 In a primary school, all the children are the same age.
- 6 Finnish lessons are compulsory in British schools.

Object pronouns

5 Complete the table with the object pronouns in the box.

We present **them**.

I can't imagine studying **it**.

her him it me us you

Subject	I	you	he	she	it	we	they
Object	me	you	him	her	it	us	them

6 Replace the words in bold with an object pronoun.

- 1 P.E. is my favorite class – I love **it!**
- 2 Our art teacher, Mr. Flynn, is great – we like **him** a lot.
- 3 I think science subjects are really difficult. I don't like **them**.
- 4 I go to school with Sara and I come home with **her** too.
- 5 Our math teacher always gives **us** lots of homework.

HOMEWORK

7 Circle the correct option.

GRAMMAR ROUND-UP

1 2 3 4 5 6 7 8

Teach yourself!

If you **1 want/wants** to learn something new, why not use your phone? You **2 can download/can to download** lots of great learning apps and use **3 they/them** to learn all kinds of things, from languages to computer coding.

Are you into video? *Magisto* and *OpenShot™* are great apps to learn video editing. If **4 you no know/you don't know** how to do your design homework, then *Instructables®* is the app for you.

WikiHow is a great option too! And if you **5 want/do want** help with art, go for *MyPaint* or *Krita*. They **6 do have/have** some fantastic ideas to help you.

7 Do they cost/Cost they a lot of money?
8 No, they don't cost./No, they don't.
Most of the apps are free.

Thank you
