Who \_\_\_\_\_ died \_\_\_\_\_ Thousands of people \_\_\_\_\_ were killed \_\_\_\_\_ out to sea, and many others \_\_\_\_\_ were left \_\_\_\_\_ due to lack of medical care. In total, almost 300 000 people \_\_\_\_\_ and 1.3 million people \_\_\_\_\_ homeless.

## READING

The Simpsons is an American animated sitcom starring the animated Simpson family, which was created by Matt Groening. The characters were conceived in the lobby of James L. Brooks's office as a satirical depiction of the American society.

The family debuted on The Tracey Ullman Show on April 19, 1987. After a three-season run, the sketch was developed into a half-hour prime time show called The Simpsons. The show was first released on December 17, 1989. The program was an early hit for Fox and was awarded lots of prizes.

It was considered controversial from its beginning. In the early seasons Bart was characterized as a poor role model for children by parents and conservative people. The Simpsons merchandise and t-shirts were banned by several United States public schools.

In 2002, the show was nearly sued by the Rio de Janeiro tourist board for creating an unreal image of the city on one episode.
